

EzyClean+

Rinse Free, Streak Free pH Neutral Cleaner & Disinfectant

DESCRIPTION:

EZYCLEAN+™ formulated with latest, cutting edge ActivePlus™ technology, is a Professional Grade, highly concentrated pH neutral cleaner & commercial grade disinfectant. Rinse free & streak free – formulated for everyday use. Formulated to kill odours, disinfect, sanitise plus when used regularly and as per directions helps maintain your surface in a pristine condition. Regular use also helps prevent soap scum and hard water deposit build up. Leaves a room smelling fresh and clean with a lemon scent. Does NOT affect sealer performance. For indoor, outdoor, domestic and commercial areas. Safe for food preparation floor areas.

SURFACE USE:

For household and/or commercial use. For hard surfaces including Porcelain, Ceramic & Encaustic Tiles, Terrazzo, Grout, Concrete, Terracotta, Saltillo, Wood, Laminates, Pavers, all Mosaics (Stone, Metal and/or Glass), Engineered Stone, Natural Stone e.g. Bluestone, Granite, Marble, Limestone, Travertine, Quartz etc. Also suitable for vinyl, metal, chrome, stainless steel, glass, plastic, enamel, toilets, vanities, bath tubs etc

WHERE TO USE:

For household & commercial use. Ideal for living areas, bathrooms, kitchens, laundries etc. For commercial use e.g. hotels, motels, resorts, schools, child care, aged care, holiday parks, shopping centres, retail outlets, restaurants, bars and more.

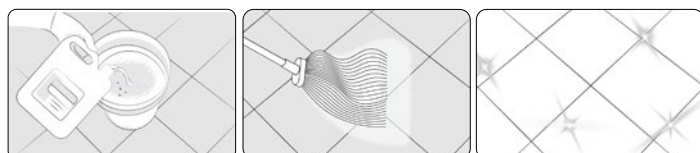

TEST FIRST:

Always test first in an inconspicuous area to determine ease of application, dilution rate, colour stability and desired results. End user must determine suitability of product for their own use.

PRECAUTIONS & SAFETY DIRECTIONS:

1. Read entire label, SDS & technical bulletin before using;
2. Wear appropriate gloves, skin and eye protection;
3. Use when surface temperature is between 4°C & 32°C;
4. Do NOT allow contact with non recommended surfaces;
5. Do NOT mix with other chemicals;
6. Change the cleaning solution as it gets dirty;
7. Keep floors dry in order to prevent slip falls and accidents;
8. Hard surface disinfectant only. Do NOT use on skin;

HOW TO USE QUICK GUIDE: EASY AS 1, 2, 3

Dilute depending on cleaning requirements

Damp mop the floor with a micro fibre mop
